NATURE - ROVERE

NATURE WOOD

Scenes of serene meadows and pristine forests from the wilds of the Pacific Northwest have influenced the birth of a stunning new porcelain tile series. This striking natural beauty inspired Eleganza to create the NATURE series – a wood porcelain series that refines the look of natural wood into a contemporary design, highlighting the features found in the precious ecosystems of North America. This Italian made tile is available in an 8x48 format, with rectified edges for precision installations. With four colors and nearly 200 square feet of unique wood graphics, NATURE provides perfect transitions between tile planks, delivering the look of refined wood suitable for any modern design concept.
